'Art In Motion' 2006 :: Evolution home show a success.

Evolution Winter Guard's much anticipated home show, entitled 'Art In Motion', was this past Saturday, February 4. Numerous winter guards from all over the midwest came to Sheboygan Falls for a competition that was one of this season's best!

Not only did Evolution's 'Art In Motion' showcase area winter guards, but Whitnall Drum Line and Jessica's School of Dance participated in exhibitions as well.

A very big THANK YOU goes out to all of the families that HELPED to make this fundraiser a huge success. With twelve competing units and countless spectators, Evolution has once again succeeded in bringing the wonderful art of winter guard back to it's supporting community.

Evolution Spotlight :: 2006 B Guard.

This year's B Guard consists of 10 very talented members from the greater Sheboygan area. Though the 2006 B Guard is one of Evolution's smallest to date, this season's performers have already been wowing the audiences!

The theme of this season's production is 'Hawaiian Chants' with music by Hawaiian artist Mark Keali'i Ho'omalulu. This year, the staff of the B Guard is immersing its members in the Hawaiian culture by teaching them about the tropical islands rich history, the Hawaiian language and even teaching the members how to tell stories in the popular art of Hula.
