## Featured Fundraiser :: Pick N' Save "We Care".

The WE CARE Program is a donation program which allows non-profit organizations the opportunity to raise additional funds by encouraging people to shop at Pick 'n Save® food stores and use their Advantage® Saver's Club card every time they shop. Evolution is registered as one of the community based non-profit organizations that is able to benefit from their program. Evolution will receive 1% of every dollar that you spend at the grocery store.

In order for Evolution to benefit from the WE CARE program, you MUST designate our identification number on your Advantage® Plus Saver's Club application form and use your card every time you shop. What better way to make a contribution! Ask your friends and family to register too.

Every participating non-profit organization in the state is assigned a six-digit identification number. **Evolution's number is: #380225.**

## 2006 Golf Outing :: Huge fundraising opportunity.

Mark your calendars for Evolution's 2<sup>nd</sup> Annual Golf Outing - Saturday, September 9. Last year proved to be a challenge coordinating and executing such a large fundraiser. This fundraiser can be a huge success with the participation of all of the families within the organization. Look for the family requirements soon along with more information and team sign-up sheets. If you have any questions on Evolution's 2<sup>nd</sup> Annual Golf Outing, please contact Jenny Beigel directly.
